I adhere to my opinion of 24.10.16 on page 6 of the papers below. There is no indication so far that any stimulus will be given to public charity by the proposed measure. On the other hand some people who might have given Rs 3000 will only give Rs 1000/- if the limit is lowered.

Submitted to His Highness.

These papers relate to a representation of some Dasara Representative Assembly Members to reduce the minimum limit of deposits with Government for charitable purposes from - Rs.3000/- as fixed in Government Order No.Fl.473-503/G.F. - 15-09-2 dated 15th July 1909, to Rs.1000.

2. The Financial Secretary considered that the lowering of the limit would involve the necessity of maintaining in the Comptroller's Office separate accounts for a number of petty items usually dealt with in the Savings Banks and that it is not desirable to effect any change in the existing rule and accept petty sums as independent benefactions recognised and helped by the State, unless there was an assured prospect of the public coming forward with at least a lakh of rupees if the minimum was lowered.

3. The Second Member of Council (Mr.K.S.Chandrasekhara Aiya: was of opinion that the minimum might be reduced from Rs.3000 to Rs.2000 and that the former limit was rather high.

4. The First Member of Council (Mr.A.R. Banerji) was willing to reduce the limit to Rs.1000.

5. The question was considered in Council and it was resolved that the minimum might be fixed at Rs.1000.

6. The Financial Secretary still feels that it is undesirable to lower the limit and states that there is no indicatio so far that any stimulus will be given to public charity by the proposed measure and that on the other hand, some people who might have given Rs.3000/- will only give Rs.1000, if the limit is lowered.

7. The resolution of the Council may graciously be approved for a period of three years in the first instance.

SUBJECT No. 124.

Four per cent investments for charitable purposes.

Messrs. K. Tammaiya and Kesavadasiengar, Belur taluk.

Summary of discussion.—The high minimum of Rs. 3,000 for investment of money for charitable purposes is above the reach of the middle and poorer classes. The minimum may therefore be reduced to Rs. 1,000 as this might induce a large number of donors to come forward with charitable bequests.

Reply of Government.—The matter is under consideration.
